25 GREATEST WINES FROM THE 1982 VINTAGE
Robert Parker's 1982 Bordeaux: 30th Anniversary
Tasting, October 2012

94 pts., "...I would focus my wallet on...Chateau Certan-de-May 2008 ...the 'dark horse' of the vintage: a brilliant wine that surpasses all expectations and proof of the pudding is its performance in blind conditions. ...**Now, this is a great Certan-de-May.** ...Very focused, classy..." - N.M., Neal Martin's Wine Journal, eRobertParker.com, 3.5.12

92 pts., "Full bodied, with a beautiful structure of ultra-soft tannins and subtle yet rich fruit. Loads going on here." - J.S., JamesSuckling.com, 12.20.10

91-93 pts., "A classic Certan de May . . . Muscular and full-bodied with sensationally ripe tannins as well as purity ... should turn out to be a long-lived wine."

POMEROL 2008 Vintage Review
Robert Parker, Pomerol 2008 Vintage Guide

96 pts. "EXTRAORDINARY. EARLY MATURING AND ACCESSIBLE. "

"...Pomerol seems to be the epicenter of many extraordinary wines. I would even go so far as to say the 2008 Pomerols eclipse/surpass the quality of the 2005s, 2001s and 2000s. It is an amazing vintage in Pomerol."

"...2008 IS A BORDEAUX-LOVER'S VINTAGE..."

- J.S., JamesSuckling.com, 1.30.11
